Song that is ancient,  
 that us the pride of our mountains.  
 Ti-gi-ding, ti-gi-ding, ti-gi-ding,  
 oh wow! what a song.  
 It's beautiful to dance to,  
 like the coolness of mist or fog.  
 Ti-ga-dong, ti-ga-dong, ti-ga-dong,  
 poor young man,  
 watching the young lady,  
 while drooling.

***O schöne Nacht***

Oh beautiful night!  
 The moon is fabulously shining in its complete splendour in the sky;  
 Around it, sweet company of little stars.  
 Oh beautiful night!  
 The dew is shimmering brightly on the green blades of grass;  
 The nightingale sings ardently in the lilac bush, and  
 The boy steals softly to his lover.  
 Oh beautiful night!

***Baj, Baj, Baj***

If I set off to that high mountain  
 Find I a lover, (maybe) two.  
 Trouble, trouble, trouble, what big trouble,  
 that my baby's heart is so like butter.  
 Don't need for me not the two, not the one,  
 Just the one who truly loves.  
 Trouble, trouble...  
 Dry wood it is easy bridge to make,  
 Ah, but troublesome from my baby to separate.  
 Trouble, trouble...

### *Translations*

*Ave verum corpus*

Hail, true body,  
Born of the virgin Mary;  
Who has truly suffered, slaughtered  
On the Cross for humanity.  
Whose side was pierced,  
Pouring out water and blood.  
Be a foretaste for us  
During our ordeal of death.

*Nous voyons que les hommes*

We see that men do ever  
Give love a virtuous name  
and, foolish, we endeavor  
to place on love the blame

That which they are commending  
with us turns to disgrace  
A fault which is offending  
To honor's austere face

Wise nature, most observant  
Has cast us in a mold  
More fitting as loves' servant  
and less to license bold

*Smieklis Man*

This is laughter  
at Janiti's looking around  
Janitis shakes his head  
to amuse his Annie  
Janitis' brother,  
had three skin boots  
Hound skin, cat skin,  
before last year's calfskin  
Hound skin barks,  
cat skin meows  
Baw-wow-wow  
Meow, meow, meow  
Ha ha ha!  
Before last year's calfskin,  
neighing, neighed!

*Surgamus Omnes Chiara*

Let us all arise, let us sing and praise our God on this feast-day of the holy Virgin Mary, on whose festival our land is jubilant; heaven rejoices, Paradise exults, and we with one soul rejoice with devotion. Let us then praise our God on this feast-day of the Blessed Virgin Mary.

O splendor of the world, O glory of heaven, O Mary, you advocate for sinners, with our heart and song, with our tongue and vows today we honor you, you in whose commemoration our land triumphs.

So aid us who are gathered together today in your honor, and with a sounding trumpet, let your recollection be glorious, tranquil at sea, kindly on land; and let all who hope in you sing praises and triumphs to you.

*Rosas Pandan*

Here is Rosas Pandan,  
coming from the mountains,  
to be with all of you,  
in celebrating of the festivity.  
This song is my only possession,  
the legacy from my forefathers.
