

**THANK YOU FOR FLYING WITH
HARPFUSION:GO!
SUNDAY, MAY 5, 2019
ROOM 232, 7:00 P.M.**

Welcome to our final performance of the season, HarpFusion: GO! Our program explores a theme of transportation, in both the literal sense of various modes of travel, but, perhaps more importantly, through the metaphor of entering a new era. We honor the tremendous and ground-breaking work of our founder, Dr. Carrol McLaughlin. As our harp program moves into this new chapter, her energy is with us. We now invite you on our journey, HarpFusion: GO!

Future plans for HarpFusion include an international tour in 2020 celebrating the unique environment and culture of Tucson, a new album, commissions for the ensemble, deeper community engagement, and an investment in newer harps and equipment for our program. We welcome your support for these wonderful initiatives! Please follow us on Facebook (@uaharpfung) and Instagram (ua_harpfung) for updates on our activities and event information!
